DYWA is a not for profit youth organization founded in 1988. Our goal is to provide children the opportunity to learn the sport of wrestling. Our major fundraiser is a golf tournament that is held usually in September. The funds raised help offset the cost of the program and provide financial aid to kids attending summer wrestling camps.

Please indicate if you would be interested in helping with any or all of the following:

- Team Parent – Assist coach with handouts, phone calls or messages
- Golf Tournament – Asking people to play and/or getting sponsorships
- Team Banquet – Assist with setup of banquet
- Team Tournament- Assist tableworkers, concession or setup/cleanup of facility
- Communications – Attend the monthly parents' meetings in November, December and January and advise the team of any news or updates.
