

Connecticut Chapter National Wrestling Hall of Fame

Please keep these points in mind when booking rooms:

- If you **do not** order in our block, the rates could be higher. We don't know what they are so you are on your own if you go outside of our block.
- If you want to stay on Friday night, we have a block. However, **you will have to** book that room **on your own** within our block. It is a discounted rate.

Friday night (4/19/2013), \$199++. There are 10 total rooms. We can increase the number of rooms, but only after the first 10 are booked.

Saturday night (4/20/2013) \$259++. We have 30 rooms in this block. Again, we can increase the number of the block to preserve the cost of the rooms (normally \$500 on a Saturday night), after the first 30 have been booked.
